

The **Bob Avakian** Institute is a nonprofit institute whose mission is to preserve, project, and promote the works and vision of Bob Avakian (BA) with the aim of reaching the broadest possible audience. At a time when there is widespread questioning and agonizing over why the world is the way that it is, whether there is a solution to the problems facing humanity and whether people can really change; and at a time when people's visions and dreams are largely confined by the narrow sights of the world as it is, it is more important than ever that people learn about BA and that his works and vision become a point of reference in the discussions and debates swirling throughout society.

The Bob Avakian Institute needs your help to spread BA everywhere:

- Volunteer to help promote BA's works and vision
- Invite a speaker to your home to speak with family, friends, and colleagues; or to your school, organization, or church.
- Spread BA's work on social media. You can find shareable graphics, quotes and video clips at TheBobAvakianInstitute.org
- Make a financial contribution to support our mission. All donations, large and small, are deeply appreciated. Please be aware that The Bob Avakian Institute is not tax exempt and donations made to it are not tax deductible.
