FOR A REAL REVOLUTION!**

COME TO A SPECIAL SHOWING OF SELECTIONS FROM

The Bob Avakian Interviews

**From *The RNL—Revolution, Nothing Less!—Show*
Tuesday, November 28, 7pm**

Bob Avakian (BA) is a rare and unique revolutionary leader. He has developed scientific theory on a world-class level, including on how we could actually make an emancipating revolution *in these times*. He has a deep understanding of and connection with the most oppressed, and he can “break down” complex theory and make it accessible.

Don't miss this chance to see a one-hour edition of these recent interviews and to discuss them afterward with Andy Zee, one of BA's interviewers, host of *The RNL—Revolution, Nothing Less!—Show*, and spokesperson for Revolution Books.
